ViewSonic

PROJECTOR

X1000-4K

Key **Features**

- True 4K HDR visual experience
- Ultra Short Throw gives you a 100" screen from 38cm away
- Cinema SuperColor+™ Technology with 125% Rec.709
- 2nd generation LED Technology with 30,000 hours lifespan
- 40W Integrated Harman Kardon soundbar

Product **Description**

The ViewSonic X1000-4K Ultra Short Throw Smart LED Soundbar Projector delivers a completely immersive audiovisual experience right out of the box by fusing performance with elegance while melding into your modern lifestyle. Equipped with true 4K UHD resolution and 0.25 ultra-short throw ratio, the X1000-4K provides an impressive 100” image from a distance of only 38cm. Further features include 2nd generation LED technology with enhanced brightness, superior color display (125% Rec. 709), and a lifespan of 30,000 hours. An integrated 40W Harman Kardon-customized soundbar delivers room-filling crystal clear audio perfect for music and movies. The X1000-4K may be utilized as a Bluetooth soundbar or connected to a subwoofer to create a 2.1 audio system. Embedded Wi-Fi connectivity and built-in app center make streaming content easier than it’s ever been before.
